

Summer-Off Campus Opportunities

Health Care

An opportunity for grade 11's to explore careers in the Health Care industry. Plan to attend a meeting on March 18 during lunch in the St. John Study Centre for all the details. [The deadline to apply is April 14th at noon.](#)

Registered Apprenticeship Program

Explore your career options in the Trades. See Ms. Weed in the Career Centre/Work Experience Room for details. [The deadline to apply is April 14th.](#)

Career Discovery

Grade 10's and 11's can explore one of the four areas the School District is currently developing. Gain credits in a two-week (unpaid) internship in the following areas: Engineering, Law, Veterinary Medicine, and Architecture. [Apply by April 14th.](#)

Summer Work Experience:

Gain work experience credits for a summer position which students have arranged on their own. Students can also continue in an existing Work Experience arrangement over the summer. [Students currently working in Work Experience who want to continue over the summer must apply by May 13th and students who are new to the program and want to work over summer need to apply by May 28th.](#)
